
If you grew up in a conservative household, chances are you didn't get to read the hot-blooded comic "Savita Bhabhi" while growing up. Perhaps your parents were worried this adult-themed comic might corrupt you or lead you down the path of depravity. But what they don't know is that this comic is actually one of India's most popular characters and second only to Mickey Mouse in terms of social media following. This blog post lists all the websites where Indian users can download pdf files for Savita Bhabhi comics free of charge by signing up with their email address, without having to download anything shady off sketchy websites. The only requirement is that you sign up for an account, but I'm sure most Indian readers are signing up with fake names anyways, so this shouldn't be a problem (The sign-up process is simple, you use your name and email id to register an account). Here are the links to download pdf files for Savita Bhabhi comics.

Note: The links above require you to click on each link and then fill in your email address on the form below. Please note the links will not work if you simply cut-n-paste them into your browser. Only registered members can download the comics. Do read my disclaimer before you proceed. Disclaimer: Downloading the zip files above is ILLEGAL and I am NOT encouraging anyone to do so (You can try getting the comics off the internet for free, but don't ask me how if you get caught). If you decide to participate in this activity, it is solely your decision and I take no responsibility for your actions. Please note that if you decide to participate in this activity and get caught, you will be prosecuted (Your ISP will issue a warning or kick you off their servers for downloading copyrighted material). DO NOT DO THIS IF YOU DO NOT WANT TO BECOME A CRIMINAL. Please sign up using a fake name. Keep your information as vague and generic as possible. DO NOT give away your email address to anyone. Many phishing scams use the guise of "Savita Bhabhi" trying to get you to subscribe to their mailing list (The scammers will say that they're offering free pdf files of the comics). Be careful what you sign up for. If it sounds too good to be true, it probably is.
