Check out our, published:25 Aug 2012 views:367467 Flight AttendantDowntown Metz train to Nancy by Eurostar Metz-Nancy Lorraine X F310.mp4 The airportMetz-Nancy Lorraine, also known as Metz-Nancy-Lorraine, is the international airport of the Lorraine region of France. It is located 30 km south-southwest of Metz, the capital of the Lorraine region, and 14 km southeast of the city of Nancy. There are commercial international passenger flights to numerous destinations, including Austria, Germany, Belgium, Switzerland, Italy, Spain, Russia, Monaco, Algeria and the United Kingdom. The airport was originally to be named Metz-Nancy, but it was later decided to rename the airport Metz-Nancy-Lorraine, as the first syllable of Lorraine was moved to the end of the name, in order to avoid confusion. The airport was originally built next to the Deûle river, but its terminal is now located. The history of Metz-Nancy-Lorraine dates back to 1927, when the Greater Nancy-Metz Airfield (Aviation Civile Station) was built and connected with the national aviation network. The airport operated for 26 years before the Metz-Nancy-Lorraine Airport opened in, for military use. It was first used in military combat during World War I. During World War II the city and airport were divided between German and American troops. Metz-Nancy-Lorraine was liberated by the French army on 16 August 1944. It was declared a free port on 24 August, but became a French Air force base after the war. The airport is linked to the regional public transport network. Its primary airport bus station is at Place de l'Europe. Buses to Metz-Nancy-Lorraine Airport are operated by the SNCF, Transdev and the STIF Metz. The airport also provides public transportation using its own airport shuttle buses and its bus station is served by lines B and D of the Transilien regional network. The primary domestic airline that serves Metz-Nancy-Lorraine is Jetstream Designs - Metz

June 14, 2014 - Metz Nancy Lorraine is a French regional airport. The script will be available for FSX/P3D and FS9 in a few weeks. In this article, we will explore how to do this route in FSX/P3D and FS9. We will focus on two main parts of the route: approach and landing. As with every airport, Metz has at least two airport terminal terminal terminal terminal terminals: the arrivals hall and the baggage claim hall. The arrival hall is usually located in the same building as the terminal. There are several departments and kiosks in the arrivals hall. fffad4f19a
