

Create a Might & Magic Heroes VI.exe, then add /offline to the . No need to copy the SKIDROW crack. exe to the game folder, just a shortcut. Copy the folder with the game with the replacement. You can use the version on two discs. The version with two discs, unlike the version on one disc, does not need to copy all the files, just copy the game folder. When installing the version on one disk, you can choose where to install the game. If on drive C, the game will install on the same drive where Windows is installed.
