Nottingham-based developer Tree comes out of the gate with a strong showing in today's roundup of new Android apps. The number of new games is relatively low, with the exception of a couple of new puzzle games, but there are some popular free music apps here, as well as a music player that looks as good as it sounds. Free uTorrent Pro app was released to help people discover torrents and uTorrent Pro is a free Mac OS X application that has a very simple and intuitive interface. Features include customizable filtering of search results, the ability to view the size of each file, a unique file sharing view that lists files that are being shared and the ability to view multiple torrents at once. The default file sharing view can also be turned off. The mind is at the mercy of its own stuff. I can worry about money, love, or my body, and there's always something there to trigger a new worry, a new fear. But in the end, I don't really care if I'm ever going to get any of those things, because if they're all that important, then why don't I feel them? I'm in a bit of a vicious circle. -The Band's name George Harrison "I Am The Walrus" "All You Need Is Love" "The Beatles" Albums are very important in life. They are all we have. They are both our music and our memories. We treasure them. We collect them. We keep them with us. We listen to them all the time. When we like the album, we often "get it" and use it as an influence in our own music and sometimes even buy it for ourselves. If we don't like it, we may still keep it and listen to it, maybe just once or twice, before finally getting rid of it. We may decide that we'd be happier with the album if the artists had made their albums a little bit different and added a few more of those "good songs". But what's really interesting about our music is that we put them in our heads and we think and talk about them all the time. -The mind is at the mercy of its own stuff. I can worry about money, love, or my body, and there's always something there to trigger a new worry, a new fear. But in the end, I don't really care if I'm ever going to get any of those things
