how to write a script for the following: how to write a script for the following: I have the following xml document: Expected: 51aaf94f-1463-495e-ad75-54969bd0889a 51aaf94f-1463-495e- 6a5afdab4c

Easy Video Sync Fixer is a reliable and intuitive software solution created to assist you in permanently repairing the delay between the audio and video sides of a movie, rather than having to constantly adjust them from your media player. Accessible and clear-cut usage for novices included The utility experiences a brief and uneventful setup process, subsequent to which you can go ahead and start working with it, as its functions are

sufficiently straightforward to require no prior training.

Appearance-wise, Easy Video Sync Fixer is made up of a single, non-adjustable window, where you can load your file, from the lower section letting you modify the delay or stretching preferences. Swiftly synchronize audio and video streams in your films As already stated, the program is capable of either delaying the video and audio, or it can stretch them, depending on your particular requirements. As such, you can load your movie into Easy

Video Sync Fixer, supporting a wide array of formats (AVI, WMV, MPG, and others). Afterward, you can choose the ‘Delay Audio’ or the ‘Delay Video’ option, inputting the corresponding number of seconds. Alternately, you can ‘Stretch Audio’ or ‘Stretch Video’ by a preferred percentage. To make sure the adjustment fully fixes your movie’s issues, you can ‘Test Fix’ one minute of it from a definable point in its length, in order to determine if the process requires further fine-tuning or not. If everything sounds right,

you can press the 'Fix' button and output your film in AVI, MPEG, MP4, FLV, MOV, VOB and several other formats, according to your preferences. A practical tool for audio - video synchronization In summary, Easy Video Sync Fixer is a useful and efficient application that movie enthusiasts can resort to whenever you encounter unsynchronized films and do not wish to go through the trouble of re-adjusting it repeatedly. 3. Sync Audio & Video to Media - Easy Video Sync Fixer 1.4.0.1255 Easy
