Looks like there are multiple other versions floating around. What format is 'Premium' in? Share this post Link to post Share on other sites Looks like you're trying to view free torrents from the premium forum. Try adding the forum to your whitelist. If that doesn't work, try refreshing the page. Sometimes the forum might appear like it is stuck. If that still doesn't work, try going to the main forum itself - not the "Premium Edition" specific forum. Hope this helps. If you need any more help, let us know! Share this post Link to post Share on other sites I do not see Premium Editions on new download page... How can I download it? Click the "Premium Edition" in the menu bar and it'll automatically redirect you. Don't worry, it is safe. However, I've seen a couple other people asking for the Premium Edition (IE, the premium edition that was available before this upgrade). If you're asking for that, check out this thread. Share this post Link to post Share on other sites Hi, Where can I download premium edition for free.I always try to download direct link from you to premium edition as you recommended but every time I download free premium edition from you, it will be premium. But I'm no premium member, I want it to be free, is it possible?
