Where do you get off acting like you're the only one with a problem? You're the most withdrawn I've seen your type of person get. You act like you have it all together, but you don't, I've been with you since we were 22 and I know you better than you think. I need time out here alone, too. I need some space from you. Valentine, thanks for reading my post. I have tried hard to give you a bit of feedback, and I apologize if I spoke too strongly. Our meeting at SPS was to talk about the Asperger's and how we could support each other through this. I would like to continue this so that we can support each other. I was not trying to criticize you at all, and I agree that we are both not very patient, but we can work on this.... Reply Ema says: March 17, 2020 at 5:54 pm. I'm not angry just sad, but really sad, and hurt. I have been through this with someone else before and it wasn't fun. Reply Ryan says: March 18, 2020 at 12:52 pm. I didn't know you were the one who had cancer. I'm sorry to hear about that. I hope you get well soon.. I guess what I'm trying to say is that we're two really different people.
