After each game, your heroes progress towards unlocking up to 15 new talents, building up their power for future games. Nier Eren vs. Taiga is a minimalistic version of the popular TV series that is completely made in 3D. Over 25 missions in one dynamic multiplayer game! Notable manga and anime series from the So-Re era! Nekketsu Kuni is a curious hybrid of classic RPG and RPG. The game world is divided into five nations, each player is allowed to choose one side on which he will fight. For several years of the existence of the series, over a thousand characters were withdrawn from its projects. However, the developers of the NekKetsu game did not give up on the idea of

creating a new universe based on the series. The main role is played by NekiKryll, who is not deprived of talents and charisma. Before the start of each battle, a code is opened to create a new hero - you choose the color of the armor, appearance and name. All events unfold in a cubic universe, where there are also anime, manga, feature films, games, newspapers, radio stations and many other interesting things. The game has a huge number of social features that allow players to communicate, interact and communicate with each other. NekkiKryla was released in Russia in June 2008. Game developers promise to release Nek Kryla 3 in June 2012.
