What's New In?

RandomWall changes your Windows wallpaper randomly. This utility can optionally select a directory of picture files to use. All the picture files are automatically added to an image list and sorted randomly, so every new wallpaper will be a different combination of pictures. Note: This utility is not associated with any Microsoft products. Click to expand... Screenshot: Update history: -2008-12-01: Version 1.0 of RandomWall was released.
