What's new:

- **FIFA Ultimate Team: With the inclusion of Champions League, Club World Cup, and International matches in FIFA 22, FIFA Ultimate Team has added over 300 World Cup, Euros and Champions League results to your screen.**
- **New Photography Engine: Major changes have been made to the way FIFA's built-in photography engine captures the world of football. Players and objects are no longer rendered in a monoscopic, flat and grey style. Renders now range from the classical and more historic style of the 1920s & 1930s to the smooth and realistic look of today's game with the ability to view any kind of lighting from stadium to pitch side.**
- **Manager Transfers: Transfers to and from managed teams will now show a players previous club experience, regardless of whether the player was a Managed Roster or U21 player. A tile showing the full previous club experience will also appear next to the player name on the Market menu.**
