That's a total of $57.8 million for the county and $2.3 million for the city. (city= $11.5 million, county= $10.6 million, all figures are adjusted to 2014 dollars) Also, the fact sheet says that around $3 billion in sales tax is collected every year. Of that total, the city gets around $230.3 million and the county gets $252.3 million. (again, figures are adjusted to 2014 dollars) A “backsliding” of sales tax rates (it used to be 7.5 percent) for a few counties came about last year. The fact sheet says that the state tax on cigarettes increased from $.09 to $.15 cents over 2014-15. The fact sheet says that the city gets its revenue in excess of $1 billion per year. And the county gets $600 million of its total each year. The state also spends $163 million in the city of New York and $57 million in the county. The fact sheet says that the state gives more money to the city than it gets in return because of the city's “federal funding.” This year, the state is again projecting that it will get $4.2 billion for local governments. According to the fact sheet, over the last few years, the
