Twitter: For Honor™ is a team-based
tactical melee combat game featuring
heroic knights, brutal barbarians,
fearless steppe masters, and more!
Choose from a large cast of warriors and
mercenaries, and get revenge against
their enemies. Take up arms and enter
your enemies' worlds in a fully
persistent, socially dynamic, action-
packed combat zone, in a variety of
brutal PvP and PvE modes. Play your
way with a huge range of upgradable
and customizable weapons and armor
that you can forge with your friends' rare
and powerful weapons. The game is free

to play, but some game items may require payment. For Honor, the most authentic and deep melee combat game available today! Build a squad, forge a clan, rise through the ranks -- become king of the battlefield! THE GAME In feudal Japan, war is waged with only your blade. Quickly pick up and manage four fully formed teams, each with their own specialties. Master the style and timing of each fighting group - can you control the battlefield? MATCH Strategize and skill against a massive cast of warriors, mounted and on foot. Over 50 playable characters, including additional heroes available in season pass, and over 100 more on the way.

GROUPING AND SCOUTING Use your commanders in any number of ways to set up an ambush, move into position
